The planned purchase quantity is the remainder after the number of treasury shares held by the Target Company as of September 30, 2020, as described in the Target Company’s Second Quarterly Report (3,591 shares), and the number of shares held by the Tender Offeror as of December 15, 2020 (6,234,425 shares) have been subtracted from the total number of issued shares as of September 30, 2020, as described in the Second Quarterly Report for the 148th Fiscal Year submitted on November 13, 2020 by the Target Company (12,443,500 shares).

2. Results of the Tender Offer

(1) Outcome of the Tender Offer

The Tender Offer was subject to a condition whereby, if the total number of Tendered Shares did not reach the minimum planned purchase quantity (2,058,875 shares), none of the Tendered Shares would be purchased. Since the total number of Tendered Shares (470,668 shares) did not reach the minimum planned purchase quantity (2,058,875 shares), the Tender Offeror will purchase none of the Tendered Shares as set forth in the public notice concerning the commencement of the Tender Offer (including amended matters in the amended statement of the public notice concerning the commencement of the Tender Offer subsequently submitted) as well as in the tender offer registration statement (including amended matters in the amended statement of the tender offer registration statement subsequently submitted).

3. Post-Tender Offer Policies and the Future Outlook

The Tender Offer was intended to make the Target Company a wholly-owned subsidiary and thereby achieve integrated management of the Tender Offeror group to streamline and optimize management, achieve more flexible and faster decision making, and respond to the decrease in the domestic demand for petroleum products and the movement toward a decarbonized society. Furthermore, the Tender Offer Price was decided upon after implementation of measures to ensure fairness as well as measures to avoid conflicts of interest. Given the fact that the Tender Offer was not completed successfully, going forward, the Tender Offeror will, as it has in the past, aim to enhance the corporate value of the Tender Offeror group.
